President's Message

By Donna Atkins

Due to the fact that Cheryl was sick we were not able to have our soup supper and meeting. It was too short notice to be able to move it someplace else. Hope everyone had a good month and have missed the flu.

Donna Atkins
Chapter 44 President

Grand Director's Report

By Jim Winney

The opportunity to get out of the frozen tundra of Nebraska and enjoy warm 75-degree weather and 60s at night was just wonderful. While at mid-winter we discussed two proposed by-law amendments that will be formerly voted on at the summer convention in Salt Lake. It was decided to move forward a proposal to split the offices of secretary and treasurer to two separate positions. The second proposal still needs some legal consultation with the corporate laws of California. So, I don't know if the proposal will be in final form for the summer convention. The by-laws of the association does not have provisions for what to do in case the international grand chapter is dissolved. It was decided that Grand Council, Jay Connor and a California licensed CPA or Corporate Attorney would investigate what needs to be done. What is proposed is that what financial funds that are in the account would be distributed to other non-profit organizations

The Grand President also proposed the establishment of a membership-at-large section to the grand chapter for those members who do wish to maintain their membership, contribute and attend events but do not live close enough to an existing chapter. For example, a member who may live in Arizona and cannot make it to monthly meetings but would be willing to come to mid-winter or summer convention. The thought of taking the "Internet Chapter" and changing names was one possibility of accomplishing this.

I would like to invite all of you to attend the summer Grand Convention in Salt Lake June 27th-30th, 2018.

Jim Winney
