President's Message

By Donna Atkins

The April meeting was held in Seward at La Carreta and there were six members attending.

There are at least 4 that are going to attend the IFA Convention in Salt Lake City in June.

We had the election of officers for next year and they will be sworn in at the May meeting.

The May 19, 2018 will be held in Beatrice at the Atkins home at 1224 S. 7th at 6:30. The hamburgers, condiments and drinks will be furnished by Donna. Bring whatever goes with the burgers. Hope to see you then.

10 Fun Facts about Summer:

1. The first modern Olympic Games were held in the summer in 1896 in Athens, Greece.
2. The first day of summer is between June 20th and June 22nd every year. The first day of summer is called the summer solstice, and the day varies due to the Earth's rotation not exactly reflecting our calendar year.
3. The last day of summer is September 20th.
4. Watermelon is one of summer's best summer treats. Did you know that watermelons are not a fruit, but a vegetable instead? They belong to the cucumber family of vegetables.
5. The Eiffel tower grows in the heat of the summer. Due to the iron expanding, the tower grows about 6 inches every summer.
6. If you love ice cream, the summer season should be your favorite. July is national ice cream month.
7. Another interesting fact about summer is that television shows used to only be reruns during the summer months. The idea being that everyone was outside enjoying the weather.
8. A June fun fact is that the month of June is named after the Roman goddess Juno.
9. The first women's bathing suit was created in the 1800's. It came with a pair of bloomers.
10. The "dog days of summer" refer to the dates from July 3rd to August 11th. They are named so after the Sirius the Dog Star. This star is in the constellation of Canis Major.
